PETER'S PENCE COLLECTION

Thank you for your generous support in last week's Peter's Pence Collection! Our contributions will join those from our brothers and sisters worldwide to help Pope Francis in his ministry to the Universal Church, including relief to people in need and support for the Holy See. If you missed the collection, it is not too late to give. Contribution envelopes are in the church gathering spaces. Visit www.usccb.org/peters-pence.

HEADS UP! COLLEEN IS GOING BALD!

This is Colleen Simon - I'm excited for my 4th year fighting pediatric cancers, raising money and shaving my head at the "Brave The Shave" event in Sioux Falls on July 9th! Money raised goes to the St. Baldrick's Foundation, a volunteer and donor powered charity committed to supporting the most promising research to find cures for childhood cancers and give survivors long and healthy lives. I have raised funds without shaving one time, but losing my hair is an important way I can honor my daughter, Alison, and her personal battle with cancer. It's pretty common for cancer warriors to lose their hair, but it was different in Alison's case. (Photo of our friend, Ricky

KEEP IN PRAYER

Bridget Lake	Amy Cordell	Eugene Nagel	Gary Adams
Jeannie Nessen	Dennis Goebel	Karen Briscoe	Carol Lipp
Karren Goebel	MaLeah Jimenez	Leonard Schatz	Cas Gray
Sister Nancy Dwyer, OSF	Lynette Singleton	Milt Mitzel	

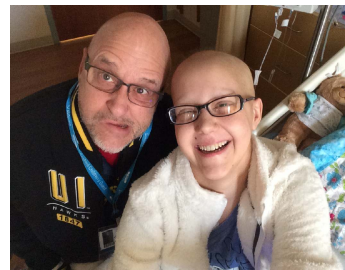

Please help us keep this list current. If someone has recovered or died, please call the parish office at 765-2161 so we can remove them from the list.

RIVER MASS

River Mass is offered this summer on Saturdays at 8:15 p.m. at West Whitlock Resort across from the bait shop, rain or shine.

"This call may be recorded for quality control purposes. If the quality of your complaint is unsatisfactory, you will be required to enroll in a customer training seminar."

Reuwsaat & Alison, Dec. 2015) Her type of cancer, stage 4 Burkitt lymphoma and leukemia, is the most aggressive form of lymphoma known. If left untreated, a patient with Burkitt's could die within two weeks. So, her chemotherapy doses had to be very strong. Alison not

only lost all the hair on her head, her eyebrows and eyelashes, but also her internal hair, like in her sinuses, causing her nose to run constantly. When treatment ended, it took such a long time for her hair, inside and out, to grow back. She has had No Evidence of Disease (NED) for 6 years now! The least I can do to honor Alison and all children battling cancer is to be temporarily bald. If you feel called to join me in the fight against pediatric cancers and you want to make a donation to the world's best pediatric cancer researchers, just go to my St. Baldrick's Foundation page at: <https://www.stbaldricks.org/participants/mypage/1095213/2022>.

I can also accept checks made out to St. Baldrick's Foundation. (I can accept donations before and after the Brave the Shave event.) THANK YOU for the many prayers and support you gave our family during Alison's cancer battle! Please praise God with us that she is cancer free and doing so well today!

~ Alison & Colleen Simon
