## Fr. Joe's Jottings

Time for the pastor to submit the verbiage for this area of the pastorate bulletin.

In the interim, the pastor has been busy praying for applicants to apply for custodial positions at the St. Joseph School and SS Peter and Paul parish. In Pierre, a housekeeper would be nice to have at the rectory. St. Joseph School needs additional employees. Each of our Faith Formation programs throughout the pastorate are always open to more "laborers for the harvest" to supplement the numerous volunteers. It seems there are never enough volunteers for workers everywhere.

Almost every town has signs stating the need for workforce personnel. The same is true in the Holy Mother Church, especially in the area of discipleship and evangelization. As we approach the month of November when everyone gives thanks it is hoped that more individuals will pray asking for the guidance of the Holy Spirit to make a resolution for the new church year that begins on December 3rd. Presently Fr. Simon and I have been training various volunteer liturgical ministers, but we are open to training additional individuals.

As a pastorate we have so many great people assisting in a variety of ways but there is always the reality of "burnout" and because there so many competent and qualified members of the pastorate we are asking for everyone to pray and discern.

“If He asks much of you, it is because He knows you can give much.” These wise words were spoken by St. John Paul II. St. John Paul II was a man who gave much. He was an example to millions on how to follow the Lord and not complain. As we celebrate his feast day, we look to see how we can follow his example.

There is a famous picture of St. John Paul II visiting a prisoner and speaking one on one with him. The picture is remarkable because the prisoner is the person that attempted to end St. John Paul II’s life. How easy it would be to hold a grudge against such wrongdoing. St. John Paul II follows the words we speak in the prayer given to us by Jesus, the Our Father. We are to forgive those who trespass against us as we would like to be forgiven our trespasses. As Kids of Christ, we can learn how important it is to forgive, no matter how big or small the offense. We learn from St. John Paul II to show mercy.

St. John Paul II also taught us the importance of prayer. He stated, “In prayer you become one with the source of our true light - Jesus Himself.” St. John Paul II talked about prayer as a conversation with God from our heart. This will lead us to Jesus. The students learn a magnitude of prayers, from the Our Father to the Memorare, but they also learn to pray from their heart. They are taught to speak to God about what they are feeling. It is a time to thank Him for the gifts He has provided. It is also a time to ask for assistance in all the trials that go along with life. Through this prayer the students and staff have seen many wonders. People in our community and aboard ask for our prayers. They have seen the power of prayer and what it can do. Our students can see the power of prayer as well.

**SOUTH DAKOTA'S  
EXTREME ABORTION AMENDMENT**

In his apostolic exhortation *Evangelii Gaudium*, Pope Francis warns us about political efforts that threaten the lives of preborn children: “Among the vulnerable for whom the Church wishes to care with particular love and concern are unborn children, the most defenseless and innocent among us. Nowadays efforts are made to deny them their human dignity and to do with them whatever one pleases, taking their lives and passing laws preventing anyone from standing in the way of this.” (Par. 213) We have a responsibility, as a community that cherishes all human life, to become informed on this proposal that threatens the lives of South Dakota’s preborn children, and to educate our fellow citizens. Stay tuned for further information about the abortion amendment.
