Fr. Joe's Jottings

Many years ago, a sign company used a slogan in their advertising, "a business with no sign is a sign of no business." Although parishes are not businesses, it is necessary for them to have signs. Most Catholic Church signs identify the patron saint of the community and give pertinent information concerning the times of the Holy Mass.

When one drives into Onida, there a big bold sign that seizes ones' attention. Therefore, it is very effective in conveying the message the Mass time at St. Pius X. It is simple and modest, but very well done. In memory of Winifred and Clara Fox, the costs were covered.

The electronic portion of the sign at St. Anthony in Hoven has ceased to function; therefore the digital portion is being replaced. Many donors have contributed to the expenses. The beautiful building commands attention from miles away on the prairies. When people park in front of the church the new parts of the sign will be easily read.

A similar story for Sacred Heart in Gettysburg. The replacement digital board will be noticeable to all traveling on US 212. We can be grateful to many donors for their generosity as well.

On July 13, an act of God destroyed the former sign at SS Peter and Paul. A new sign will be erected closer to Euclid Avenue for anyone traveling on US 83 & 14. With the proposed road construction this sign will be temporary with the permanent installation being completed after the street is finished.

The messaging on the digital boards at each location will be similar for the sake of communicating the events affecting the life of our Pastorate. Therefore, the signs will contain both pastorate and parish information. An example would be the Eucharistic Procession and Rosary on Sunday, August 18 at the South Dakota Capitol Building starting at 1:00 pm. It is hoped that everyone from Holy Rosary Pastorate will either be there in person or at home praying with us at that time.

St. Joseph School is like a family. As a family we are united in striving for the best of each member. To do that, we hire exceptional people. I would like to introduce you to some of them.

Morgan Metzinger has been teaching for 3 years as one of our Kindergarten teachers. It is a beautiful sight watching her engage the students and any project with such enthusiasm and joy. Morgan attended Dakota State University with a BS in Elementary Education and a minor in technology. Morgan enjoys reading books, working out at BURN, and spending time with family. She loves SJS because of the faith based learning and small school setting. Her favorite saint is St. Theresa.

Hailey Switzer is an alum of St. Joseph School. I had the privilege of teaching her in both 4th and 5th grade. Her kind and thoughtful heart radiated as a student. This will be her second year with us as one of our Kindergarten teachers. Hailey graduated from Northern State University and enjoys baking, going on walks with her dogs, and spending time with her family. Hailey loves the caring environment and how compassionate the teachers were teaching the students about their faith daily. She is looking forward to teaching them about God, and helping them grow in their faith. Her favorite saint is St. Teresa of Calcutta.

Tomalyn Peckham will be our new 2nd grade Math/Science teacher. This will be her second year with us as well. She has been such a wonderful addition to our staff. Her energy and love of God is projected daily as she teaches her class. Tomalyn graduated from University of South Dakota. She enjoys reading, embroidery, and pickleball. Tomalyn is excited to continue to work with a staff that is so encouraging. Her favorite saint is St. Maria Goretti.

It is never too late to be part of our family at St. Joseph Catholic School! Student applications can be found if you click on the QR code. If you would like to learn more about St. Joseph School, please click on the QR code.
