Fr. Joe's Jottings

Can it be possible that it is time for so many children to return to school? Older ones are off to advanced academic pursuits, maybe for the first time. Please remind them about the importance of receiving the Eucharist every week wherever they are. Younger ones are off to learn the basics or the foundations of the educational challenges. All of us are to never stop learning. When it comes to the teachings of the church, it is most important that everyone continues to expand their horizon about the basics of our belief. In the Set Ablaze prayer, we ask God to give us the fortitude to share our beloved Catholic faith. It assumes that we know and love the basics of our Catholic tradition so we can serve God by sharing by word and example.

Soon it will be time for volunteers to offer their time and energy to serve in our faith formation programs. Please remember that more faith is caught rather than taught. Our words are important, but our actions speak much louder. When we are doing God's will, one who that trusts in God will realize that the Holy Spirit gives us more what we are to say. Regardless, whether one volunteers or not, everyone is expected to pray for those who do step forward to witness the next generation.

The future of the parishes within our pastorate are dependent upon the ones who have the courage to teach the future leaders. We are so blessed with many good young souls that need mentors in the ways of faith. Parents, grandparents and godparents are the first and the best of teachers in the ways of faith but not the only ones. So, pray for God to give you insight into what is your role in the evangelization and catechesis ministry. By virtue of baptism everyone is called to be a disciple of Christ to others.

St. Joseph Catholic School is like a family. As a family we are united in striving for the best of each member. To do that, we hire exceptional people. I would like to introduce you to some of them.

Maranda Olson is joining St. Joseph Catholic School this year! We are thrilled to have her! She will be teaching 1st grade. This is Maranda's 4th year of teaching. She is a graduate of the University of South Dakota. Maranda enjoys traveling, fishing, painting, crafting, cooking/baking, and NASCAR. She looks forward to working with our wonderful students and teachers! Maranda's favorite saint is St. Patrick.

Nicole Barnett is our 4th grade Language Arts/Social Studies teacher this coming year! We were so pleased she returned last year to share her love of learning! Nicole has taught for 10 years with a degree from the University of North Dakota. She enjoys reading, cooking/baking, boating with family, and chasing kiddos. Nicole loves that Christ is present in our school! It is such a joy for her to watch the students grow in the classroom and in their faith. Her favorite saint is St. Elizabeth Ann Seton.

Jacob Mayer is going into his 3rd year at SJS as an exceptional aide. He is adored by all the students he encounters. Jacob is attending Dakota State University online for a degree in education. He loves sports, lifting, and golfing with his friends. One thing Jacob loves about SJS is the people he gets to work with from the teachers to the students. His favorite saint is St. Michael.

It is never too late to be part of our family at St. Joseph Catholic School! Student applications can be found if you click on the QR code. If you would like to learn more about St. Joseph School, please click on the QR code.
