## Father Simon Sez

With today's gospel reading, we continue our reflection on the Gospel of John chapter 6. In the beginning of this chapter, John tells us Jesus multiplied loaves and fish and walked on water. He demonstrated his power to not only control the physical properties of things but also of his own body. John then presents Jesus' discourse as being the Bread of Life.

In this week's gospel proclamation (Jn 6:51-58), Jesus said, "Amen, amen, I say to you, unless you eat the flesh of the Son of Man and drink his blood, you do not have life within you." The Jews asked, "How can this man give us his flesh to eat?" As believing Christians, we should not doubt that Jesus can give us his flesh to eat and heed his command to receive his flesh and blood so that we might have eternal life.

The Jews took Jesus literally as they should. Jesus said, "For my flesh is true food, and my blood is true drink." He is not speaking of himself by metaphor or analogy or just symbolically but truly. We truly and literally need to eat his flesh and drink his blood. We do this sacramentally under the physical appearance (sign) of bread and wine which symbolizes the actual food we receive – Jesus' flesh and blood. Thus, we come to receive the Real Presence of Jesus, the Bread of Life, in the Eucharist – body, blood, soul, and divinity.

The Lord says in the first reading (Prov 9:1-6), "Come, eat of my food, and drink of the wine I have mixed! Forsake foolishness that you may live; advance in the way of understanding." Pray for a greater understanding by receiving Jesus himself in the Eucharist worthily and a greater realization of his powerful presence by way of the Jericho Wall Eucharistic procession and benedictions this Sunday, August 18th, starting at 1:00 p.m. in front of the SD State Capitol building. May the Eucharist revive us!

## Saint Joseph School News

**ST. JOSEPH SCHOOL** (605) 224-7185  
Becky.Walsh@k12.sd.us www.sjspierre.org  
Principal, Becky Walsh Secretary, Clare Charlson

Saints Peter & Paul Parish is blessed to have an exceptional preschool, run by faith filled women that are devoted to furthering the education of each and every child. Each one of them has sent their children through St. Joseph Catholic School and know what is needed to prepare these young ones for success! I would like to introduce you to them.

Jenny Babcock is our preschool aide. She has been a fixture in this building for 11 years working in our school and preschool. Jenny is one of the most approachable people out there. Her hobbies include hanging out with her boys and dogs, camping, and attending sporting events. Jenny loves SJS because she and all of her children attended. Her mom was also the PE teacher when she was here. Her favorite saint is St. Christopher.

Ronda Karst has been working at Ss. Peter & Paul Preschool for 23 years! The children thrive because of her kind words and gentle demeanor. Ronda attended Lake Area Technical School. She enjoys boating, walking, reading, and mostly spending time with her kids and grandkids. Ronda loves watching the little kids learn new things everyday and seeing their smile when they accomplish it. Her favorite saint is St. Joseph.

Tiffany Sanchez has been teaching for 30 years from preschool age students to high school aged kids. She brings such knowledge and excitement to our preschool. Tiffany is always looking for a way to better her students. She earned her degree from Augustana College. Tiffany enjoys cooking, reading, boating, volunteering, and anything but dusting! She enjoys working here because it is a faith based school for families and kids who VALUE education and personal responsibility. Her favorite saint is St. Monica.

It is never too late to be part of our family at St. Joseph Catholic School! Student applications, and more information about St. Joseph School can be found by clicking on the QR code.
