## Gettin' Real with the Deacon

Lent is here, and while it's often seen as a time of sacrifice and self-denial, it's also a great opportunity for spiritual growth and a fresh perspective. It's a time to hit the "reset" button, rediscover the basics of our faith, and even find a little joy in simplicity. Whether you're a seasoned Lenten observer or a newcomer, Lent isn't all about gloomy days or just giving up chocolate (though if you choose to, more power to you!). Lent is about growing closer to God, refocusing on what really matters, and preparing for the joy of Easter.

When people think of Lent, they often think of fasting. But fasting doesn't always mean giving up that second helping of mashed potatoes or foregoing dessert at every meal. It can also mean giving up something that's distracting us from our faith—like mindlessly scrolling on our phones or binge-watching TV shows. It's a time to simplify, so we can focus more on what really matters: prayer, reflection, and connecting with others.

Yes, it's true—prayer is part of the Lenten mix! But prayer doesn't have to be complicated. It could be as simple as setting aside 5 minutes a day to talk to God, or maybe taking a moment to reflect on a passage of Scripture. You don't have to become a prayer expert overnight; just talk to God like you would a good friend, and He'll listen.

Lent is often associated with giving something up, but it doesn't have to be a painful or punishing experience. Maybe it's something small but meaningful—like giving up that afternoon coffee (hello, headaches!) or taking a break from social media for a week. If you decide to give up something, remember the goal is not to make yourself miserable, but to create space for God in your life.

So, while Lent is a time of reflection and spiritual growth, it's also about finding joy in simplicity. It's about making small changes that help us grow closer to God and live with more intention. Whether you choose to fast, pray, or give, remember that this season is about renewal and transformation—and maybe, just maybe, a little extra joy along the way!

### Catholic Family Sharing Appeal 2025

Each year, the Catholic Family Sharing Appeal challenges us to think beyond our walls and our individual needs. At some time in your life, you or someone you love will be served in one way or another from the ministries supported by Catholic Family Sharing Appeal. Your gift helps each of the diocesan ministries reach out to thousands, including training our future priests, a respect for life, education in our faith and ministry to the homebound, helping hurting marriages and more. You may have received a letter from Bishop DeGrood asking for your support for this year's Catholic Family Sharing Appeal. **Please prayerfully consider a gift to this year's appeal, fill out your pledge card and bring it to church next weekend.** If you do not receive a letter, let the parish office know.

## Saint Joseph School News

**ST. JOSEPH SCHOOL** (605) 224-7185  
Becky.Walsh@k12.sd.us [www.sjspierre.org](http://www.sjspierre.org)  
Principal, Becky Walsh Secretary, Clare Charlson

It is the beginning of the Lenten season and the students at St. Joseph School are working on the three traditional pillars of Lent. These are prayer, fasting, and almsgiving.

As a Kid of Christ, prayer is a crucial part of becoming closer to God. Students are able to talk and listen to

God. One way they could do this would be to pray the Stations of the Cross. Throughout Lent, students will be led in the Stations of the Cross by their peers in ways that students can relate to. Also, many homes have a family altar where they can gather to pray together.

The pillar of fasting is asking us to give up something important to us for a bit of time. On Fridays, we are asked to give up meat. Students will be asked to reflect on the amount of time they spend doing things that may not bring them closer to God. These could be some of the things they could give up.

Almsgiving is asking us to give. Students do not have much for money, but what they do they could give to such things as the Rice bowl. They could also give of their time by helping those around them.

It is never too late to be part of our family at St. Joseph Catholic School! We are not just educating the leaders of tomorrow, we are focused on using our faith and the Lord's teachings to make us ready to spend time with Him in Heaven. Student applications can be found if you click on the QR code. If you would like to learn more about St. Joseph School, please click on the QR code.

God bless our Catechists and students!
