## Fr. Joe's Jottings

The trip to Arizona to see my mother was quite enjoyable because we had the usual liver and onions feast. That meal brings out so many people who like the taste along with the potatoes from Potter County. There is a stench when cooking that meat but on Thursday the smell subsided when the turkey was baking and accessories filled the house. Besides the eating, the other obligation was the tasks of the yard-work. So many relatives coming around allowed for many breaks.

Meanwhile, the Set Ablaze survey is nearing completion and will need your cooperation with your responses. As a pastorate we need to identify our future goals for worship, community, service, and evangelization. It is hoped to move from the past to the present and beyond. If we have a plan for each of the parishes in the pastorate to enhance our Catholicism, then we can expand our knowledge and relationship with Jesus Christ.

We all know that church attendance is an indicator of commitment that we have to the Eucharist. We have been tracking the number of individuals present each week at every Mass to give us some empirical data. Using all information regarding the sacramental life of our communities will help to plan. This will assist in determining the number and scheduling of holy events.

Therefore, we need everyone to respond to the survey so that we can accurately plan for the best use of the priests. We are on the verge of beginning Advent, so it is a busy time, but we need to gather every parcel of information as possible. Throughout the diocese every pastorate continues to develop a footprint for the future, so please help by watching for and completing the survey when it is available.

### On the Lighter Side - Christ the King Sunday

"What kind of bird is most likely to be in church?"

"A cardinal"

In nature, a cardinal is a bird with red feathers and a pointed cap, but the term actually was inspired by Catholic cardinals and their red clothes (inspired by the blood of Jesus).

Today we celebrate the Solemnity of Our Lord Jesus Christ, King of the Universe. The students learn that Jesus' kingdom is **supreme, universal, eternal, and spiritual.**

The students know that Jesus is the ultimate judge. He is **supreme** above all others. What he thinks of us is the most important thing. They can find comfort in knowing that his opinion of us is the only thing that matters.

Jesus is just not here in our school or parish. Students know he is everywhere. He is **universal.** Jesus' reign reaches out to all people, places, and nations. They experience this when they travel around South Dakota and abroad. What a wonderful feeling it is to know you can find Jesus at the Mass wherever you go!

They say, "all good things must come to an end," but that is not true when it comes to Jesus. He is **eternal!** His love, mercy, kindness, and teachings will never end. He is with us until the end of time and beyond. The students do not fear losing Jesus. They know He will always be there with them.

When the students think of kingdoms, they envision grand buildings with elaborate decor and staff. They may think of parades and expensive garments. Jesus' kingdom is not like that of the physical world. His kingdom is **spiritual.** He reigns in our hearts and our minds.

**Almighty and merciful God,  
 you break the power of evil and make all things new  
 in your Son Jesus Christ, the King of the universe.  
 May all in heaven and earth  
 acclaim your glory and never cease to praise you.  
 We ask this through our Lord Jesus Christ, your Son,  
 who lives and reigns with you and the Holy Spirit,  
 one God, for ever and ever.**

It is never too late to join our family at St. Joseph School! We are currently looking for a qualified teacher.
