Fr. Joe's Jottings

The first weekend of Masses for the pastorate is completed. From my perspective all went very well because there were many people who attended each Mass. Riding the north circuit was exciting for me as it was an opportunity to see some very familiar faces. It was amazing how many have aged over the last 25- 40 years. It goes without saying that yours truly was spared any ramifications from the passage of time. We are gifted in a remarkable way since we are rural and mobile, resulting that many are either family or acquaintances already.

This weekend Fr. David Axtmann is covering the northern circuit while the pastor preaches and teaches the southern frontier. Fr. Brian Simon has gone to the Black Hills with a group of young people to deepen their relationship as Catholics discovering the beauty of creation and our long church history. Everyone is called to lead others to Christ and Christ to others.

A goal for the pastorate is to share the report of the end of the fiscal year with everyone in each of the parishes. In the next few weeks there will be copies of the income/expense of the four communities, but it will take time to coordinate so be patient. The most important reality is that every parish completed the year in the positive or black column. But we need to continue to be most generous as the costs never lower but usually rise.

We continue to need volunteers for the various ministries. So do pray about how God is calling you to serve His Holy Church. God has a plan and He always provides so we need to listen so we can hear.

Saint Joseph School news

ST. JOSEPH SCHOOL (605) 224-7185

StJosephSchool@k12.sd.us www.sjspierre.org
Principal, Becky Walsh Secretary, Clare Charlson

St. Joseph School is like a family. As a family we are united in striving for the best of each member. To do that, we hire exceptional people. I would like to introduce you to some of them.

Audrey Steele has been teaching for 7 years. She is a teacher who is a team player. Her faith is at the center of everything she does. Audrey graduated from Dakota State University. She loves raising her kids and supporting her husband. What she loves about SJS are her coworkers, Mass, and Jesus. Her favorite saint is the Virgin Mary.

Kerry Rounds has been in education for 15 years. She is always striving to help our workplace be the best. She encourages others and puts the kids first. Kerry graduated from North Dakota State University. She loves reading, walking, camping, and traveling. Kerry loves how caring, kind and helpful everyone is. She feels our school is like one big family. Kerry's favorite saint is St. Gemma Galgani.

Laura Harris has been teaching for 25 years. She has a calming presence about her that will provide confidence and comfort to the students. Laura graduated from the University of Central Arkansas. She loves reading, painting, journaling, walking, hiking, and camping when time allows. Laura will start with us this fall, but she imagines it will be the community of parents, teachers, staff, and students that will be why she loves St. Joseph School. Her favorite saint is St. Francis.

We are currently looking for 2 teachers and an After School Program director to join this wonderful school. If you or anyone you know is interested, please have them contact me at Becky.Walsh@k12.sd.us.

This fall, Avera will offer an exciting volunteer ministry opportunity. The program is called **Befriender Ministry** (befrienderministry.org) and trains lay people to respond to the emotional and spiritual needs of others by providing a living reminder of God's love through a caring presence. Our goal is to establish an ecumenical group of Befrienders for ministry at Maryhouse to accompany residents on their journey through listening, presence and compassion.
