Fr. Joe's Jottings

Two weeks ago the bulletin contained information about many numbers. Another number to be added to those was the odometer reading from my vehicle. There is over 100,000 miles and growing. It is hoped that another number will grow as well: The number of volunteers to assist in the Faith Formation programs in each parish. At almost every Mass, it seems more times than not, we are looking for someone to cover the various liturgical roles. The intent of the Set Ablaze restructuring is for more individuals to embrace the opportunities to become more involved. I do believe that one additional ministry that is needed is people committed to prayer especially before the Blessed Sacrament.

Every one of the churches in this pastorate is open many hours of every day to facilitate the accessibility to adoration of the Holy Eucharist. The power of prayer is beyond comprehension, but underdeveloped. The number of people going to daily Mass could be expanded. It would be truly amazing if more people would stop for about 10 minutes before the tabernacle during the day. I remember in former parishes so many would pray a few short prayers and then light a votive candle before continuing with the rest of the tasks of the day.

At each end of the pastorate, namely, Hoven and Pierre, there are Adoration Chapels. Anyone who wishes can contact either parish can gain access to those chapels for personal, private prayer for the needs of the pastorate. There are many prayer groups and prayer chains, but we could expand the number of people who are willing to pray in the privacy of their homes at specific hours of the day. Again, the power of prayer can accomplish so much. Jesus states that through prayer and fasting nothing is impossible.

Saint Joseph School news

ST. JOSEPH SCHOOL (605) 224-7185
StJosephSchool@k12.sd.us www.sjspierre.org
Principal, Becky Walsh Secretary, Clare Charlson

We all have memories of our first days of school. The nerves and excitement spilled out of us. Who would my teacher be? Who will be in my class? Will I know how to do the work?

The part that always has stuck with me is that when I entered my school, Jesus was right there. He was in the smile of the principal greeting me. He was in the warm hug from my new teacher. He was in the friendly wave from my classmate. He was on the Crucifix in the classroom. He was in a picture on the wall. He was in the statue in the hall. He was everywhere! It was the best feeling. I was never alone.

That is what it was like this week! St. Joseph School is a beacon of faith where the students and staff feel at peace because of the presence of Jesus. The students know that they are never alone. They have Jesus, their teachers, their friends, and the staff looking out for them. The presence of Jesus is all around. They are immersed in prayer throughout the day which gives them a wonderful time to talk to Jesus.

“Be it known to all who enter here that Christ is the reason for this school. He is the unseen but ever present teacher in its classes. He is the model of its faculty and the inspiration of its students.”

Please pray for our school as we journey through this year together.
