JANUARY

Getting' Real with the Deacon

CLPI

The world of nature around us experiences a continual changing of seasons, from Spring into Summer; from Fall into Winter. The seasons in South Dakota give variety to our souls so that we do not become bored with the sameness of an unchanging environment. A similar occurrence is experienced in the liturgical year of the Catholic Church.

In the early church Christians followed the Jewish calendar, but through the centuries they began to set themselves apart from the Jewish tradition. One of the first things they did was to choose Sunday as their "sabbath" followed by annually honoring the Passion, death and resurrection of Jesus Christ. This was the most important time of the year for Christians and all other feasts were instituted in relation to the paschal events.

What we have now in the Roman Rite of the Catholic Church is the culmination of roughly 2,000 years of development, patterning the church year after the life of Jesus Christ. The liturgical year is made up of six seasons:

Advent – four weeks of preparation before the celebration of Jesus' birth

Christmas – recalling the Nativity of Jesus Christ and his manifestation to the peoples of the world

Lent – a six-week period of penance before Easter Sacred Paschal Triduum – the holiest "Three Days" of the Church's year, where the Christian people recall the suffering, death, and resurrection of Jesus

Easter – 50 days of joyful celebration of the Lord's resurrection from the dead and his sending forth of the Holy Spirit

Ordinary Time – divided into two sections (one span of 4-8 weeks after Christmas Time and another lasting about six months after Easter Time). During Ordinary Time we encounter Jesus' teachings and works among his people.

The mystery of Christ, unfolded through the cycle of the year, calls us to live his mystery in each of our lives. We need variation, both in the natural world and in the spiritual world. Through this liturgical year, let's immerse ourselves in the life of Christ, keeping our hearts open to spiritual renewal.

Saint Joseph School News

ST. JOSEPH SCHOOL (605) 224-7185

StJosephSchool@k12.sd.us www.sjspierre.org

Principal, Becky Walsh Secretary, Clare Charlson

It is the beginning of the new year! A time to look forward to what is to come and all that is offered.

St. Joseph Catholic School is accepting applications to register for the 2024/2025 school year. St. Joseph Catholic School wants to be part of your child's school journey! Please prayerfully consider Catholic education.

St. Joseph Catholic School has proven to be highly effective for the past 50 years. Not only do students graduate SJS with an abundance of knowledge in academics, but also because of the faith education, they are empowered in the soul as well! Students leave well rounded in education and character. The SJS staff would love to work together with you in assisting your child to grow as a Kid of Christ.

This month we will be celebrating our Catholic faith with Catholic Schools Week. A few of our alums share why Catholic education is important to them.

Dawn Busch, a SJS alum and current 3rd grade teacher, says going to a Catholic school gave her an opportunity to seek Christ and be able to practice her faith! She loves the smaller school with loving teachers! Dawn feels she is able to carry Christ in her heart and is able to talk about it.

Another alum and current Kindergarten teacher, Hailey Switzer, says Catholic schools mean growing a deeper conversion in our faith, while also learning academics. It teaches students that their faith is present in their lives and that it will always be with them. It is never too late to join our family at St. Joseph School! Applications can be found if you click on the QR code.

We are currently looking for a qualified teacher. If you feel called or you know someone else that you feel would be a perfect fit, please click on the QR code to learn more about St. Joseph School or email Becky Walsh at becky.walsh@k12.sd.us.
